January 2022

Dear Parents,

Happy New Year! We hope you had a wonderful Christmas and an enjoyable holiday with your families and friends. When January arrives, we begin to see the growth and maturity that has taken place over the last few months. The challenges and opportunities in our classrooms will increase in pace yet still be filled with fun activities.

As noted in the handbook please be aware that our school will abide by the decision of the DeKalb County School District pertaining to closing due to bad weather that may pose a safety concern for transportation and roadways. If we should have snow or ice, check the TV, email or internet to see if our school is open. If for any reason DeKalb County announces a delayed school opening or an early release time (rather than a cancellation), please check your e-mail for a message regarding our CMK schedule.

During the next few weeks as we get through the surge of the omicron variant of COVID, please review our health standards for school attendance. We ask that you are cautious about sending in your child who exhibits any sign of illness including a runny nose, coughing or fever. Keeping a child home for only one day is often not enough, both for the child to feel better and to avoid the most contagious time. Although we do not expect children with coughs and colds to remain home for the usual 7-10 day duration, usually being at home for 2-3 days is helpful for both the sick child as well as his/her classmates. Children with fever or vomiting should remain at home for at least 48 hours symptom-free. Thank you for monitoring your child's symptoms carefully. We also strongly recommend handwashing upon arriving home each day.

We'd like to thank all the parents who helped with our Christmas parties. We had truly wonderful and creative refreshments and activities. Thank you for your extra efforts at a very busy time of year! I am personally grateful for the many cards, family photos, and homemade treats, you gave me at Christmas. On behalf of our staff, may your new year be filled with God's richest blessings!

With Gratitude,

Mellie

TOY DONATIONS

The coordinators of Cross Cultural Ministries were very grateful for all the toys, books, and games that our families donated; your generosity certainly made the holidays much brighter for many families and truly exemplified the spirit of giving. The recipients are families that Cross Cultural Ministries works with year-round in tutoring, after-school programs, classes, Bible studies, etc., so the relationships are far deeper than simply a one-time gift program.

REGISTRATION NEWS

Registration for the 2022-2023 school year begins on **Thursday, January 20**. On this day, church families and current families will register. You may pick up your child's packet that morning in **Fellowship Hall** between 8:45am and 9:15am (no "early birds" please; we will not give out any packets until 8:45am). **Be sure to bring your checkbook or cash to pay the nonrefundable/nontransferable registration** fee of \$75.00 per child for Church members, \$115.00 per child for non-church members and \$85.00 per additional child (non-church members.) We will accept cash or a check made payable to Chamblee Methodist Kindergarten (CMK).

TUITION FEES FOR 2022-2023

In the fall, the Kindergarten Board met and approved a slight raise in tuition for next school year to allow for a teacher raise, funding for in house enrichment programs again and the higher cost of supplies. Below is the new fee schedule for the 2022-2023 school year.

Number of Days Attending Per Week	Tuition Payment Amount	Annual Tuition Total
2 days	\$255.00	\$2,295.00
3 days	\$310.00	\$2,790.00
4 days	\$345.00	\$3,105.00
5 days	\$380.00	\$3,420.00
Kindergarten	\$425.00	\$3,825.00

REGISTRATION FOR KINDERGARTEN (5 YEAR OLDS)

If you intend to register a student for kindergarten, we'll send these packets home with them; there is no reason to come in on the morning of January 20, unless you want to since this one class is not first come, first served. When we have more applicants than available spaces in the **kindergarten class** for 5 year olds, registration will be based on how long the student has been at CMK, how long the family has been at CMK, and church membership. So that we can send you confirmation as soon as possible, we are asking you to register for this class by **Monday, January 24** for first consideration. We will look at all the applications received by this point and send responses via the students' tote bags. You may register for this class after January 24 if you wish; spaces will be confirmed as they become available.

As always, we are happy to answer any questions you may have about our school. We appreciate your recommending our school to friends and neighbors and are always glad to have parents call or visit to get information. We sometimes hear that some new families believe that it's just "too hard to get in CMK," so please let your friends know that we expect to have spaces for new families in some all classes.

PARENTS' MORNING OUT (PMO)

As you register your preschooler for the 2022-2023 school year, please remember that PMO will register on the same day, January 20 for all currently enrolled families. PMO is for children ages 9 months to 23 months as of 9/1/22. Contact Chrissy Deegan to answer any questions you may have (770-457-2525). Registration is on a first come, first served basis. Please let your neighbors know that PMO is a great entry point for the early childhood education programs at Chamblee First United Methodist (new families may register on January 26).

WEBSITE UPDATE

We have been updating our website with information about our school, posting the newsletter and pictures of activities that are happening at CMK. Feel free to take a look at our website and let us know how we are doing. As we move into more digital communication, our website will become a great resource for both our school and our parent community. Suggesting to new parents to browse our website is another great way to let the community know about our great school.
